Forepoint LLC Receives President's Circle Award for the Seventh Consecutive Year

WOODINVILLE, WA — OCTOBER 2007 — The Sage President's Circle award recognizes partners who generate the greatest customer product revenue across two or more product lines in North America Mid-Market and Small Business Divisions. The President's Circle members represent the strongest, most successful partners in the Sage sales channel. These awards are based on the fiscal year, October 1, 2006 – September 30, 2007. This is the seventh consecutive year Forepoint has achieved this status.

"President's Circle winners are at the top of the industry. We congratulate this year's winners for their outstanding performance, and wish them continued success in 2008." said Laurie Schulz, Sage Software senior vice president and general manager for Sage Accpac and Simply Accounting.

"Once again, we couldn't be more proud and pleased with this honor." said partners Kevin Cumley, John Foster and Sonia Gray. "It confirms our business strategy of staying focused - on proven software, the absolute best technologies, and strong methodologies that really work. We know that our growth and success comes from our clients, staff and various business partners and truly appreciate the continued support!"

"Through the ebb and flow of the business management software reseller channel, Sage Software business partners continue to excel due to a keen focus on the customer," said Nina Smith, Sage Software president, Business Management Division. "Our President's Circle members represent a group of highly successful businesspeople that have embraced a continually changing marketplace by delivering the combined products, services and support their clients need to succeed. We congratulate Forepoint this year for their outstanding performance!"

Sage Accpac has consistently recognized Forepoint as one of their leaders in the channel for providing both outstanding client service and excellence in implementing business solutions. Key awards and distinctions include:

- Accpac United States Solution Provider of the Year 2003 - 2004
- Sage Accpac Presidents Circle 2001 – 2007
- Accounting Today Magazine Pacesetters 2002 – 2006
- Accounting Technology Magazine Top 100 VARS 2002 - 2005

About Forepoint LLC

Forepoint LLC is one of the largest Sage Accpac partners in North America and is recognized as a leader in the industry, specializing in the selection, installation, training, and support of business management applications with a focus on Accounting, CRM, HR, EDI, and custom development. The firm is active in a variety of industry associations including ITA, PMI, SHRM, IMA & SLAAA, and is committed to helping both their clients and the industry become more successful. Kevin Cumley (President) is co-chair of the ITA Project Management Committee which is focused on developing project management best practices and standardization for the ERP VAR channel. Forepoint has been providing technology solutions and related services to clients in over eleven states for more than 20 years and employs approximately 15 people.
